Hello everyone.

As you will read in the links page enclosed we are proud to have the Delaware State PTA endorse this one-of-a-kind BACK TO SCHOOL WELLNESS CAMPAIGN as their signature program for the **2015-2016** school year!

PLEASE TAKE NOTE:

See the link in **RED** below once you read this entire email in order to clearly understand the magnitude and impact the **GOOD TO GO GANG** wellness packages can and will have on our children's lives as they grow into young adults.

Also at this time, the **GOOD TO GO GANG LLC** has added an additional incentive for each elementary PTA unit who elects to participate in our movement for a **$2,500.00** cash drawing taking place on NOVEMBER 30th, 2015.

This will consist of three drawings, with a **$1,250.00** donation to the 1st place winner, a **$750.00** donation to the 2nd place winner, and **$500.00** to the 3rd place winner.

There is **NO** financial commitment when placing your order for promotional materials to participate in our Wellness Campaign, therefore we would suggest you sign-up prior to the NOVEMBER 15th deadline to receive your promo-pack in order to:

Maximize your entry possibilities!

AUGUST 30th	**200 Entries**
SEPTEMBER 15th	**150 Entries**
OCTOBER 30th	**100 Entries**
NOVEMBER 15th	**50 Entries**

A minimum commitment of

30 packages are required to be sold in order to qualify for the NOVEMBER 30th, drawing. All orders and member checks must be received no later than NOVEMBER 23rd, 2015.

We at **GTGG** have elected to set a VERY LOW minimum of participation from only 30 schools in the Great State of Delaware in order to donate the $2,500.00 cash drawing on November 30th.

Funds to all 3 winners will be disbursed within 15 business days of the drawing.

The extended participation dates will provide both small and large schools ample time to succeed in reaching the minimum and be entered into the contest.

A suggestion to ALL PTA locals who wish to participate, an email blast to your members NOW will in fact help you reach your true potential in the early stages. In order to increase your participation rate, and a follow up email blast prior to the beginning of the 2015-2016 school year should be utilized as a reminder for the parents to keep their eyes peeled as they will be receiving the **GOOD TO GO GANG** Promotional Sheets once school reconvenes.

This announcement will help promote our MOVEMENT through the links page to the parents in a matter of minutes, and in turn they will also be made aware of the fact that **$3.00** of the **$10.00** requested to purchase the Wellness Package is being donated back to the LOCAL PTA's that have elected to participate in this great cause.

Checks should be made payable to the **GOOD TO GO GANG LLC**, and the disbursements of your orders for participating in our campaign of our wellness package will be made available to your local units within 45 days from the date your checks and order forms are received, once your fund raiser is over. (All schools please include the total orders forms and checks in 1 package please)

Also please take note: All order forms and promotional materials will be provided to each Local PTA President via the **GOOD TO GO GANG LLC** at **NO** additional charge. Please be sure to fill in the number of requested promotional sheets and order forms needed on your link page below.

Example: If you have 500 elementary students enrolled in your school, enter the number 500 which will also coincide with the order forms that will be provided to each student to take home to their parents in hopes of receiving support and participation in our campaign.

All orders will be shipped to the local PTA's requested designation and must be signed for by an authorized school employee and/or PTA officer.

Next, the links below contains very important information from the Delaware PTA.

These links include a sign up page for your **FREE 150 MINUTE ANIMATED EXERCISE LIBRARY** that will be made available through **Five 30 MINUTE EDITIONS** that you will receive throughout the **2015-2016** school year to assist your school to meet the State Mandates pertaining to daily exercise while children are under their supervision.

Also included is the Georgia PTA Board Director and National PTA President **OTHA THORNTON,** Director **DR. DAVID L. KATZ,** from the **YALE - GRIFFIN PREVENTION RESEARCH CENTER,** and also a letter of support from **ELLEN F. CAMPBELL, PhD** for **Adapted Physical Education** who councils several SPECIAL NEEDS schools in Cobb County's School District who urges ALL Local units to sign up on the link page below for their school which will serve as their commitment and promise to promote and or participate in our **MOVEMENT**.
